## Screen Print Treatments

### Oversized Left Chest

Bigger is better! Larger left-chest logos are right on-trend and can be printed in a variety of art options.

### Full Chest (max)

Take advantage of max-width printing for statement-making fan apparel.

## Laser Appliqué

Laser Appliqué embellishment uses single or multiple layers of applique to create unique lettering looks or custom logo design. Most name-drop designs can accommodate full-chest or split-front locations. Our selection of stock fabrics and colors can be found on page 16.
